

How can we support Leadership Coffeyville?

Leadership Coffeyville needs your help in these ways:

Help us find emerging leaders. Do you know of someone who would benefit from Leadership training? Nominate them today! We will do the rest.

Name _____ Phone Number _____

Email Address _____ Current Employer _____

_____ Be willing to sponsor a candidate for Leadership Coffeyville. Tuition cost of \$350 can help someone employed at a local Non-Profit organization attend the class and gain valuable tools to help our community.

_____ Sponsor a session. Session sponsorship involves buying lunch for the class and coming to visit with them about what you do! Take this opportunity to spend lunch with a group of community members who want to know more about businesses and industry in Coffeyville.

Mail this back to us at PO Box 625, Coffeyville, KS 67337 or email us at _____.

Since 1986, Leadership Coffeyville has been training community leaders to do good work. Leadership Coffeyville is a non-profit organization that focuses on developing leaders to meet the evolving challenges facing our community today. The class has two major components, Leadership skills training and an overall snapshot of the Coffeyville community. In Leadership training, students learn about Leadership Styles, Consensus Building, Active Listening, Team Building, Appreciative Inquiry and many more. The class also tours many Coffeyville industries, spends time with City Leaders and gains a better understanding of the people who help run our community.

Class sizes are typically limited to less than 20 people. Tuition is \$350 per student and often is sponsored by the employer. Scholarships may be available for those who qualify and need financial assistance to participate.

"My decision to attend the Coffeyville Leadership program was a defining event in my life. The training I received from the program has improved our team at work. The program has opened many doors for me. I now feel empowered and am volunteering to help the Coffeyville Leadership Board and the CRMC Foundation Board to help my community. I encourage you to consider Leadership Coffeyville for yourself or employees at your business. The experience will be valuable for them all the way around!" Leadership Coffeyville was a great start to my time in this community. The class was a terrific introduction to all that Coffeyville has to offer and the many opportunities to serve the community. It allowed me to be a part of a network of other professionals who care about our community. The skills I learned have certainly been a value to my business as well as the community volunteer boards I serve on.
